Raiders show batting muscle

It was perhaps the most awesome display of offensive power in the history of Appomattox County High School baseball: 68 runs on 64 hits in four games played during a one-week period.

The Raiders lifted their season record to 12-2 and remained on top of the Seminole District standings with the four wins last week. The victims were Nelson County, Brookville, and Jefferson Forest, whom Appomattox defeated twice in a double-header Friday.

The Raider iced Tuesday's 20-3 victory against Nelson County in their five-run first inning. Gary Ferguson reached first base on an error, Rodney Bryant got on on a hit, Greg Mayberry drove in two with a double, Kevin Ferguson followed with another two-run double, then Paul Johnson drove in another run with a double.

There were five Raider home runs in the game, including one by Kevin Ferguson in the second inning, one by Jody Williams in the third, one by Paul Johnson in the second, one by Tim Bennett in the fourth, and one by Tony Chandler in the fifth inning.

Leading hitters included Kevin Ferguson (four for four), Greg Mayberry (three for five), Rodney Bryant (two for three), Jody Williams (two for four), and Paul Johnson (two for two). The Raiders amassed 20 runs on 19 hits against Nelson County.

Wednesday's battle against Brookville was a back-and-forth affair with several lead changes which finally ended in a 12-11 Raider win.

Tim Bennett started the game, and was relieved by Greg Mayberry in the fourth inning. After five innings the score was tied 11-11. but in the top of the seventh inning, Mayberry helped is own cause when he stepped up to the plate and blasted a tremendous home run, then retired the Brookville batters in the bottom of the seventh to record the 12-11 win.

Five Raiders hit triples in the Brookville game: Jody Williams, Gary Ferguson, Rodney Bryant, Greg Mayberry and Kevin Ferguson. Williams went two for three at the plate, Gary Ferguson hit twice in four trips. Greg Mayberry went two for four, Kevin Ferguson went two for five, Alan Edmonds went two for five, and designated hitter Mike Jackson went two for four. The Raiders produced 12 runs from 14 base hits in the victory against Brookville.

Friday's double-header against Jefferson Forest was a display of hitting prowess and scoring potential unparalleled this season.

The first game, a 15-8 Raider win, saw a grand-slam homer by Mayberry in the first inning, as well as home runs by Alan Edmonds and Paul Johnson. The Raiders scored six runs each in the first and second innings, effectively putting the game out of reach early.

Leading hitters were Gary Ferguson (three for five), Alan Edmonds (three for four), Jody Williams (two for five), Rodney Bryant (two for three), Greg Mayberry (two for four), Kevin Ferguson (two for three), Mike Jackson (two for two), and Paul Johnson, who hit a three-RBI home run in the second inning. The Raiders got 17 hits enroute to their 15-6 victory.

In the second game of the twin bill, the Raiders amassed 21 runs on 13 hits, while holding Jefferson Forest only two hits and no runs.

Alan Edmonds went two for two, and his two hits were both home runs. Gary Ferguson went two for four, Paul Johnson went two for five, and Mike Jackson went two for two at the plate.

The four leading hitters in the week-long spree were Kevin Ferguson (eight for 12, 10 runs scored, 11 RBIs), Greg Mayberry (eight for 15, 10 runs scored, three home runs, 12 RBIs), Gary Ferguson (eight for 14, eight runs scored, 4 RBIs), and Alan Edmonds (seven for 14, six runs scored, three home runs, 12 RBIs).

This week, the Raiders were scheduled to face off against Gretna on Tuesday and Friday there will be a doubleheader at Buckingham, with games scheduled for 5 p.m. and 7:30 p.m.

Varsity boys' tennis

Lawson still unbeaten

Freddie Lawson was still unbeaten in Seminole District boys' tennis play at the beginning of this week, with only one match remaining in the regular season.

In addition, the Raider doubles team of Lawson and John Booker was unbeaten, and appeared a shoo-in for the top seed in the doubles competition of the district tournament. Lawson will likely be the top seed in the tournament's singles competition, as well.

The Raiders have won two of their last five matches, according to Coach Doug Marshall.

Against Liberty on April 20, the Raiders lost 6-3, with Lawson recording the only singles win, and Lawson-Booker and Rick Caldwell-Donnie Hudson notching wins in the doubles competition.

The Raiders lost a close match the following day, 5-4 against Brookville. Lawson and James Beaty won in singles competition, and the doubles teams of Lawson-Booker and Beaty-Bobby Carter won in doubles.

Rustburg was the third Raider opponent that week, and Appomattox came out on top in this contest, 7-2. Lawson, Booker, Caldwell, Carter and Hudson all won their singles matches, and the doubles teams of Lawson-Booker and Mike McCoy-Stan Slagle won in doubles.

Last Wednesday, the Raiders lost 5-4 to Randolph-Henry,and the match was decided on a 9-8 tiebreaker which the local team lost.

Lawson and Booker won their singles matches, and the doubles teams of Lawson-Booker, and Carter-McCoy won in doubles.

Friday's match against Jefferson Forest was an easier one for the Raiders, who swept the competition, 9-0. Lawson, Booker, Beaty, Caldwell, Carter and McCoy all won their singles matches, and in doubles, Lawson-Booker, Beaty-Carter, and Caldwell-Hudson won their matches.

"That was the best performance we've turned in all season," noted Coach Marshall, "Especially after losing to Randolph-Henry, a team we beat earlier in the season."

The Raiders were scheduled to face off against Gretna Tuesday in the final match of the regular season.

The district tournament is scheduled to be played May 12 and 13, although at press time, the tournament site had not been determined.

NED RYAN OF APPOMATTOX proudly displays a lunker largemouth bass he caught last Wednesday afternoon in a private pond in the county. The bass, which weighed in at nine pounds, five ounces, was caught around 5:30 p.m. on a Mann's Razorback artificial lure. He took the fish on four-pound test line, and said that it "did not fight as hard as you might think a fish this size would." Noting that it is the biggest fish he has ever caught, Ryan said it may "be a sign of good luck this fishing season." (Photo by Allen Austin)

Boys' and girls' track

District meet today

With successful regular-season records under their belts, the boys' and girls' track teams at Appomattox County High School were preparing this week for the Seminole District meet, scheduled for today (Thursday) at Altavista, starting at 2 p.m.

The boys' team, which compiled a 4-4 record this season, has been led by Charles Walker, Jeff Fanney, and Malcolm Miller, according to track coach Ray Archer.

In the district meet, Walker will compete in the long jump, triple jump, 400-meter run, 800-meter run, and mile relay. Fanney will participate in the 300-meter hurdles, 880 relay, and mile relay. Miller will compete in the 1600-meter run and the mile relay.

Others who will compete today include Tim Williams (pole vault), Todd Scruggs (shot put, mile relay), Tommy Robinson (discus), and Pete Baldwin (300-meter run).

Toby Cunningham, Tommy Richardson, and Lewis Napier will also travel with the team to Altavista as relay team members and alternates.

The girls' team, which compiled a 4-2 record this season, was led by Ruby Smith, Yolanda Trent, Terry Moore, Lynn Robinson, and Rhonda Morgan, according to the coach.

Smith will compete in the long jump, high jump, 100-meter hurdles, 400-meter run, and 880 relay. Trent will participate in the 100-meter dash, the 880 relay, and the 440 relay. Moore will run the 200-meter dash, the mile relay, and the 880 relay. Robinson will run in the 800-meter run and the 1600-meter run. Morgan will participate in the 440, 880 and mile relays.

Other girls who will compete today include Corrine Hubbard (shot put, mile relay), Carolyn Carnefix (3200-meter run), Janet Smith will run in the 400 and 880 relays, Fontella Robinson will run in the 880 and mile relays, and April Archer and Flo Fleshman will run in relays for the team.

"Overall, we're real pleased with the season," commented Coach Archer this week. The girls' and boys' teams carried approximately 30 athletes each, and many of them will return to compete again next season, according to the coach.

"We've only had one decent day this season to run a track meet," the coach said. "It's been a bad year, weather-wise, for track. But the kids have worked hard and we are happy with the season."

Athletes who qualify in today's district meet will travel to Basset High School for the regional meet May 14. The state meet will be held at James Madison University on May 21.

Softball scene

Raiderettes split in week's competition

The Raiderette softball team split games last week, losing to Gretna, defeating Nelson County, and splitting a doubleheader with Jefferson Forest.

The local team's record stood at eight wins, four losses at the end of play last week.

Gretna jumped into a five-run lead in the first inning last Monday, and the Raiderettes were never able to come back. While pitcher Cindy Covington held the Gretna batters to seven hits and two walks, four costly Appomattox errors made the difference. The Raiderettes had 17 hits and five runs, but left 11 runners stranded. Gretna recorded the 7-5 win, the seventh of their season.

There were some bright spots for theRaiderettes. Robin Paulette went four for four at the plate, and Janet Thomas, Shelia Mullins and Vivian Seay all got three hits for the Raiderettes.

Tuesday's game against Nelson saw the Raiderettes combine 16 hits, 12 walks and some key defensive plays for their seventh win of the season, a 12-3 victory.

Paulette again went four for four at the plate, and four players -- Marsha Cheatham, Janet Thomas, Ingrid Moore and Cindy Covington -- got two hits for the team. In addition, Paulette hit a double, and Covington hit a triple against Nelson County.

Friday's first game "was lost in the bottom of the seventh," according to Raiderette Coach Mary Tolley. "We just left too many on base (12 for the game), and couldn't get the hits when we needed them," the coach added. She said that costly errors in the bottom of the first, third and fifth innings also contributed to the loss.

Sherry Purcell and Marsha Cheatham both got two hits for the Raiderettes, and both of Cheatham's hits were doubles.

In the second game of the twin bill, the Raiderettes fared better, taking the game 8-6 with a four-run fourth inning.

Tolley said that the team's defensive game improved in the second half of the doubleheader, noting that Marsha Cheatham, Robin Paulette and Brenda Wright all turned in good defensive games.

In the offensive department, Kim Hancock went two for three at the plate, Janet Thomas went three for three, and Sherry Purcell went two for three.

The Raiderettes were tied with three other teams for second place at the end of play last week. This week, the team was scheduled to play Gretna Tuesday, and will face off against Buckingham Friday in a doubleheader at home, with the first game scheduled to start at 5 p.m.

The team plays Brookville Monday, starting at 4 p.m.

White begins season

LARRY WHITE poses beside his number 77 street stock Camaro. He will race Saturday at South Boston.

Larry White of Appomattox raced his number 77 Camaro to an eighth-place finish in the main event, and to a fourth-place finish in the heat race at Orange County Speedway in Roxboro,N.C. Saturday night.

Orange County Speedway is a newly opened 3/8-mile NASCAR track 20 miles south of the North Carolina border.

White, who races in the street stock division, praised his crew, Greg Tyree and Lorezel Bailey, for their job in getting the car back in shape after it blew a piston in the first race of the season at South Boston. "They did a super job in rebuilding the whole engine," White commented. "We got the motor in Friday night before the race, and left for North Carolina the next day. The car ran well early in the race, but it started to heat up as the race went on because of a radiator problem."

Noting that Saturday's race was the grand opener for the speedway, White said that he was happy to finish in the top ten. He will race again this Saturday night at South Boston. "Hopefully, we can get everything together and have a better finish this week, but in racing, you never know what's going to happen," White said.

White thanked Appomattox NAPA for their "super support" in sponsoring his racing team. "If it weren't for them, I wouldn't be able to race," White said. "Marshall Goin and his people have really helped us out."

He also thanked Brammer Welding Supply of Lynchburg, and Florida Pneumatic for their support through sponsorship of White's racing team.

A five-run first inning put the Raiders ahead to stay in the second game. The offense was led by Brad Mann (single), Russell Walton (single), Lonny Hamlett (RBI double), Ron Guill (2-RBI double) and Anthony Kelso (RBI single). Jeff Motley pitched impressively for the Raiders, striking out seven and walking none to record the win. Students get history lesson

By Zaneta Moore and Sheryl Burks

The fourth grade students at Appomattox Elementary School recently went on a field trip to Appomattox Historical Park.

Our journey started at the Court House Visitor Center where we were given a brief lecture about the Civil War and how it affected the lives of the people living at Appomattox Court House at that time.

From there, we toured the historical buildings and sights at the park (i.e. Meeks General Store, Clover Hill Tavern, The County Jail, and Surrender Triangle).

Visiting the McLean House was especially interesting to us all. It was thrilling to see the exact place where Lee surrendered to Grant.

If you want to relive a small part of the past, have fun, and learn at the same time, Appomattox Historical Park is the place to go!
